## **Why a Fundraiser On the Farm?**

Just before the pandemic, some customers wanted to bring their children out to the farm for a tour. One child has autism and the other child has Down syndrome. This idea of offering specialized tours so everyone could enjoy Snug Haven has stayed with us.

We will soon be offering individualized tours that make our farm – and the beautiful land which surrounds it – more accessible to kids with varying emotional, technical, and functional needs. We are throwing a fundraiser party to help offset our costs so that the tours can be free for the participants. So, come out to the farm, unwind surrounded by nature, enjoy some amazing food, and have a great time for a good cause.

## **Event Schedule**
